Adverting to Government Order No L 6718-20/111 10-44-55 dated 8-1-1945, sanctioning the appointment of one Asst Health Officer on a pay of Rs 75-5-150 plus Rs 24/- C A per month with the necessary staff for proper sanitary supervision etc , in this City, I have the honour to state that the said Government Order was placed before the Council for being recorded They have, at their Meeting held on 31-3-1945, recorded the same and have further resolved that Government be urged to reconsider their order and accord sanction to the previous resolution of the Council dated 10-10-1944, fully, as there is a need for the appointment of another Asst Health Officer For the efficient administration of the City from the sanitary point of view, it is essential that the Health Officer should be relieved of his routine duties by dividing the City into two divisions and placing each division under the direct charge of an Asst Health Officer It will then be possible for him to devote more attention to the other and more important problems of health

A copy of the resolution of the Council dated 31-3-45 is herein enclosed for favour of obtaining sanction of Government to the appointment of (1) one Asst Health Officer on Rs 75-5-150 plus Rs 24/- C A per month (2) two clerks on Rs 25-1-40 each p m (3) Two peons on Rs 12/- each p m (4) House rent of Rs 30/- p m for housing the Office, as resolved by the Council on 10-10-1944
